

It's time to get Real-Ear

Oticon and Fuel have partnered with MedRx to offer you an exclusive equipment co-op package. Receive a state-of-the-art Real Ear measurement device valued at over \$5000 while simultaneously improving your workflow and patient outcomes.

Select the offer that best fits the needs of your practice.*

- Receive a MedRx REM single probe device valued at more than \$3,000.
Requirement: 40 Opn™ coop instruments.
- Receive a MedRx Plus REM device optimized for improved workflow and binaural fittings valued at more than \$5,000.
Requirement 50 Opn coop instruments.

To take advantage of this offer, complete the order form on the reverse page with your initial order of 6 Opn instruments and email it to insidesalesclerical@oticonusa.com. To complete your co-op plan, contact your Inside Sales Representative at **800.526.3921**

* Exclusions and restrictions:

- At least 50% of the instruments purchased must be premium (Opn 1) product level to qualify.
- Instrument purchases must be purchased at your regular Fuel pricing, cannot be combined with other offers or promotions.
- The equipment co-op will be valid on all qualifying Opn purchases for 6 months after receipt of the sign-up. No retroactive credit applies.
- If the purchase commitment is not achieved in the time-frame a charge to your account will be applied for the balance of the REM device.
- Limit of 2 per location.
